

# TOADETTE'S SWEETS GALLERY

## Manual

The Sweets Gallery is an exhibit full of magical dessert paintings containing worlds within them. The ever curious Captain Toad was exploring these worlds when all of a sudden, the paintings lost their magic, and Captain Toad was left trapped inside! It is now up to Toadette to collect the power stars needed to restore magic to the paintings and rescue Captain Toad in this 3D platformer!

### In Game Controls (Gamepad)

<b>LEFT STICK</b>	Move
<b>RIGHT STICK</b>	Camera
<b>A</b>	Jump
<b>LB</b>	Crouch
<b>RB</b>	Center Camera
<b>START</b>	Pause

### In Game Controls (Keyboard)

<b>ARROW KEYS/WASD</b>	Move
<b>MOUSE</b>	Camera
<b>SPACE</b>	Jump
<b>SHIFT</b>	Crouch
<b>CONTROL</b>	Center Camera
<b>ENTER</b>	Pause

### Hotkeys

<b>ALT+ENTER</b>	Full Screen
<b>ALT+F4</b>	Quit Game

### Tips

You can change the controls in the config window at startup.

The default controls are designed for Xbox/Xinput controllers. If you use a non-standard controller, you may need to configure it.

Having performance problems? Try lowering the game's resolution. This may have a bigger impact than the quality settings for those with weak GPUs.
